

Dear Parents and Carers,
This week's Friday Flyer is all about celebrating success and learning.

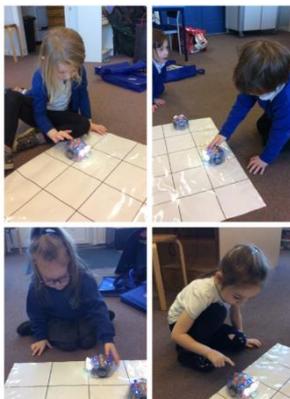

Incredible multi skills talent in Year 4

A massive congratulations to Year 4 who came second in the final of the School Games Multi skills competition last Friday. It was held virtually in the hall linking live with other schools taking part in the final. All the children showed great confidence and determination and had brilliant attitudes. We are so proud of them all.

Incredible Scientists

Year 4 have been scientists and enjoyed using scientific equipment loaned from Newcastle University. They used the kinetic theory model to demonstrate how the particles in a solid, liquid and a gas change when heat is applied.

Future computer programmers

Reception enjoyed using the programmable robots "beebots"

School Website

If you think you may have missed something posted on Dojo - all the latest Friday Flyers, term date information, school policies (including safeguarding & child protection), curriculum information, class pages, online safety information & support for parents in addition to mental health and wellbeing resources are all available on our school website.
<http://www.hexhamfirst.northumberland.sch.uk>

This week in assemblies we are continuing our work on revisiting our school values – **The Hexham Way** and learning about **British Values** too. We focussed on **The Rule of law**. We talked about rules and why they are important and reminded ourselves of our school rules that are there to keep us safe. Children listened to the story "Why Can't I" that explained why we should follow rules.

Congeval- When a liquid congeals, it becomes very thick and sticky and almost solid. E.g.: The custard looked like it had congealed..

Well done to this week's Dojo Certificates holders

- Reception:** Eva - confidence
- Year 1:** Mya - respect
- Year 2:** Jake C - confidence
- Year 3:** Kai - Curiosity
- Year 4:** Archie – resilient

Handwriting Certificates go to:
Isla, Jac, Maisie, Jessica and Aria
