

# Friday Flyer

**Friday 11<sup>th</sup> September 2020**

What an amazing return to school, we are so proud of how the children have settled in without any fuss, adapting to our new ways of working and following our expectations by keeping themselves safe. The children all look really smart in their school uniform, thank you and well done for remembering that they need to be in PE kit every Wednesday.

## School lunches

School lunches are going down a treat and even our youngest nursery children are trying really hard to use a knife and fork correctly to cut up their food, if you get chance it would be really helpful if they could practise this at home. If your child is not in school for any reason and you have pre-ordered their school dinner please could you remember to login to School Grid and cancel it by 9:30 am.

## Flu Vaccinations

Flu vaccinations (administered nasally) are scheduled for Tuesday 13<sup>th</sup> October for children in Reception to Year 4. Look out for the consent letters that were sent out this week as they need to be returned to school by Friday 18th September.

## Winter colds

Many of you have rung asking what to do regarding colds etc... If your child is displaying normal cold symptoms such as a runny nose or sore throat and does NOT have a temperature, then they can attend unless you feel they are too poorly.

**Our super new roof** I'm pleased to report that the replacement roof has been successfully completed and the scaffolding should be coming down this weekend – thank you for your patience with this.

It has been fabulous walking round and seeing our children engaging well with their learning and enjoying playing with their friends—it's good to be back! Have a great weekend

My very best wishes,  
Mrs Overton

Thank you for  
listening  
to your child read  
this week

We have no known positive Covid 19 cases within our school community. A huge thank you to all our parents for helping us to stay safe at drop off and pick up. We have had really positive comments from parents about the new arrangements for Year 3 and 4. Please remember to maintain social distancing whilst dropping off and waiting for your children.

We have had dogs fouling on school property which has prompted us to lock the side gate to school stopping access to our field and grounds. Please remember that we don't allow dogs on school grounds without permission.

**Welcome**  
TO OUR NEW STAFF!

You might have spotted some new members of our team, Mrs Tanner is our new lunchtime supervisor and Miss Evans is our new kitchen assistant and we welcome them both to our dedicated team at Hexham First.

## Well done to this week's Dojo Certificates holders

Reception	Bella - Unique
Year 1	Andrew - Keeping safe
Year 2	Aimee - Kindness
Year 3	Abbie - Respect
Year 4	Ava - Kindness

Reading at home certificates to  
Jensen, Maisie, Ruby, Effie and Freya

**Congratulations to everyone**
