

<p>English</p> <p>In English we will use texts based around our topic including Stone Age Boy, How to wash a Woolly Mammoth and the Iron Man to write character descriptions, letters, instructions, and our own stories. Shape poems will be on a Christmas theme. In Guided Reading we will use Bug Club weekly in groups. Our SPAG sessions focus on developing expanded noun phrases. There will be a focus on using neat, fluent and joined up handwriting in our written work.</p> 	<p>Maths</p> <p>In Maths we continue to use practical resources such as Base Ten on our place value grids to understand the concept of Place Value within 1000 as well as addition and subtraction within 3-digit numbers. We will be adding and subtracting single digit and tens to and from 3-digit numbers using 'exchange.' We will practise our 2x, 5x, 10 x tables and will begin to learn our 3x, 4x and 8x tables.</p> 	<p>Science</p> <p>In our Light and shadows topic we will be learning about different light sources. We will investigate different mirrors and shadows.</p>  <p>In the Nappy Challenge unit, we will carry out investigations on nappies to discover what is inside of them and which nappy holds the most water!</p>
<p>P.E & French</p> <p>In P.E we will take part in multi skills sessions led by Mr Brown. WE will take part in a weekly yoga lesson.</p> <p>In French we use an animated program that follows the adventures of a British family in France. Our first unit is called 'Bonjour' and teaches how to say hello and reply in various ways.</p> 	<p>Year 3 Curriculum Plan Autumn Term 1</p> <p>Enrichment The children will be taking part in various mindfulness activities. International Languages Day</p>  <p>Books we will read together Iron Man by Ted Hughes Hansel and Gretel by Anthony Browne</p>	<p>Computing & Design Technology</p> <p>In Computing we will learning how to access School 360 and complete assignments in Busy Things. We will learn how our computers are connected in school through the school network</p> <p>In Design and Technology, we will be using different materials to create a 3D model of Stonehenge.</p>
<p>Creative Arts</p> <p>In Art we will be creating our own cave paintings using examples from the Stone Age as our inspiration.</p>  <p>In Music we will be learning about pulse and learning to sing 'We raise our voices to sing' and will begin to play glockenspiels</p>	<p>Topic</p> <p>In History we will be finding out how Britain changed from the Stone Age to Iron Age. We will learn how Stonehenge and Skara Brae help us know about British history.</p> <p>In Geography we will learn about the different climatic zones and weather in different countries. We will learn about the different time zones and how this help Santa deliver his presents!</p>	<p>RE & PSHE</p> <p>In RE we will learning how there are rules in school and rules within different religions. We will learn about the Ten Commandments.</p>  <p>In PSHE we will be learning about Growth Mindset and how this can help the children in their school work.</p>
