KS1
AUTUMN 2 CURRICULUM

**We are on a two year cycle. The board concepts taught will be the same in Year 1 and Year 2 however each subjects will have differentiated objectives for Year 1 and Year 2.*

English
As readers and writers we will learn to…
Read the story Grandad's Camper which explores the theme of love. We will look at suffixes –ed and –ing and explore the rules for applying these. We will look at expanded noun phrases and the use of a comma. We will look at question sentences.
We will read the story Me and You by Antony Brown which explores a twist in the tale. We will write posters, letters, retelling of the story and retelling the story from a different point of view.

Maths
As mathematicians we will learn to...

Addition and subtraction within 20

Place value within 100

Geometry: shape

Science
As scientists we will learn
about the different classifications of animals. We will start by grouping animals by features such as wings/ no wings. We will then look at the animal groups birds, reptiles, amphibians, mammals and fish. We will then group animals by what they eat.

RE
As thinkers we will
Explore what Christians believe what God is like. We will explore the theme of love and forgiveness through the parable The Lost Son and children will give a clear account of the story and its meaning. We will explore what it means to forgive and how Christians show their forgiveness to God.

PE/ Games
As sports people we will learn to…
Participate in invasion games. Children will learn basic attacking, defending and spatial awareness through simple team activities.

History
In history we will…
Explore how toys have changed over time. We will explore how toys children play with will change as they get older and recognise the difference and similarities between toys from the past and toys from the present.

Art & DT
As artists we will learn to…
Understand tone and texture. We will experiment with a range of materials to create marks and tones. We will use different pressure to create different marks and learn to sketch simple shapes lightly so that they can be changed.

Music
As musicians we will learn …
Pulse rhythm and pitch!
Rhythm in the way we walk and Banana Rap Children will clap to the pulse and begin to identify instruments they can hear. Children will clap different rhythms and perform their song.

PSHE
As citizens we will learn to…
Help others and the environment. We will name things that babies and young children need and explain how adults care for them, explain ways to look after the school environment and give examples of rules that help people, animals and places.

Computing
As programmers we will learn to…
Recognise that different devices can be used to capture photographs and will gain experience capturing, editing and improving photos. We will use this knowledge to recognise that images they see may not be real.
