Dear Parents and Carers,

Geography in Year 1

Year 1 Geographers have been using maps of the school to record safety information. They located areas of school that were safe and unsafe, placing a red cross if it was unsafe and a green spot for safe places and marked them on the map.

Making porridge for Baby Bear in Early Years

Early years are enjoying the story of Goldilocks and the three bears 🐻 🐻 🐻 They made and ate porridge. It was too hot so they had to leave it to cool, luckily Goldilocks didn't come and eat their porridge. Some children tried honey and others preferred it plain, nearly everyone enjoyed it!

Let's celebrate

Harvest Service at Hexham Abbey

Next Tuesday 18th, we need to be at the Abbey for 9:30 am. Please could you get your child to school for 8:40am so we have enough time to register the children, organise lunches then walk down to the Abbey. [If you can help walk your child's class down and back up afterwards please let the teacher know.](#)

All parents, grandparents and carers are invited to join us at our Harvest Service at the Abbey in Hexham on Tuesday 18th October at 9:30 am to 10:30am

THANK YOU TO HEXHAM ABBEY

We are all so grateful to Hexham Abbey and their parishioners who made the most incredible breakfast boxes for our families. This kind gesture has hopefully brightened up families' weeks and made a big difference.

REMINDER

Do you have any uniform that needs fixing ?

The Abbey have also kindly offered a free uniform fixing service so if you have anything that needs fixing, please bring it along in a named carrier bag - anything from coat zips, buttons, tears or even name tags you would like sewn in.
