

School Council Meeting

Held on 6th November, 2019

School Councillors: Teddy, Olivia, Ida, Finlay, Bobby, Tabatha, Calvin and Sophie
Teacher - Miss Noon

This is what we talked about:

The school councillors were given a task by Mrs Overton to look at Playground rules and see if they needed changing.

The children agreed with the current rules but asked if there could be a new rule about what to do at the end of playtime when the bell rings. The children could explain the rule - at the first bell stop and stand still, second bell line up. They said that sometimes the bell needs to be rung louder.

They decided that an additional rule about football in the winter months should be added. They talked about children needing to ask an adult before they left the playground to go to the toilet and together, they created a rule.

They like the new playground leaders and buddies at playtime and lunchtime and think they are helping.

This is what we decided to do:

Miss Noon will type up the new playground rules.

Date of next meeting: To be arranged.
