## **Hexham First School PE Funding Spending Allocation 2018-2019**

## **Department for Education**

The funding has been provided to ensure impact against the following **objective:** To achieve self-sustaining improvement in the quality of PE and sport in primary schools

## It is expected that schools will see an improvement against the following 5 key indicators:

- 1. The engagement of all pupils in regular physical activity kick-starting healthy active lifestyles
- 2. The profile of PE and sport being raised across the school as a tool for whole school improvement
- 3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
- 4. Broader experience of a range of sports and activities offered to all pupils
- 5. Increased participation in competitive sport

Academic Year 2018-2019 Allocated funding PE £16,865						
PE and Sport Premium indicator	School focus/ planned impact	Actions to achieve	Planned funding amount	Actual funding amount	Actual impact on pupils and staff	
The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles	<ul> <li>✓ Opportunities for pupils not regularly engaged in regular team sports to take part in physical activity sessions</li> <li>✓ School to provide free opportunities to participate in physical education in lunchtime and after school clubs.</li> </ul>	-Continue to offer free after school clubs -Continue to run lunchtime sport clubs -continue to provide children with allocated PE during the week -timetable active playtimes in school day for all children.	£8000 (Tynedale schools sport Partnership- 1 P.E teacher delivering high quality physical education 1 day a week in school. After school club and intervention group.	£8000	Very high quality PE provision taught to children from reception to year 4 in school. All children experience half term blocks of PE. Lessons are highly challenging and inclusive of the needs of all the children.  Children and staff feel more positive about themselves and engage happily in PE sessions. Children and staff are enthusiastic and excited about PE lessons and the opportunities they are provided with. They talk about the lessons and the fun they have. They can use their	

2. The profile of PE and sport being raised across the school as a tool for whole school.	Children to feel confident to take part in all physical activity where appropriate and understand the need to keep fit and healthy.  Children have opportunities to take part in competitions and festivals with other schools.  Children feel the benefits of being more active and can identify the improvement of their own performance/ personal best.	Continue to plan a varied, exciting and inclusive PE curriculum across the school.  Provide children with a variety of physical opportunities, enabling the participation of less able.	Through the £8000 invested in PE delivery as mentioned above.	Through the £8000 invested in PE delivery as mentioned above. Plus other specialists Dance Cricket /ball /multiskills - £1290	knowledge and skills gained to apply in other areas of the curriculum and understand how important it is to make healthy choices. Children show high levels of interest and engagement in lessons. Children enjoy participating in clubs during lunchtime and after school. Specific intervention groups to improve fine and gross motor skills for identified children.  - The focus of lessons are child centred and as a result pupils are engaged and are keen to learn and improve. children have a deeper understanding of why physical activity is important and how it benefits their bodies and what happens to their bodies during activity Children are enjoying new opportunities to take part in competitions, which improves their confidence Clubs attendance has increased and are mostly full. Clubs are free to attend.
3. Increased confidence, knowledge and skills of all staff in	Teachers can confidently deliver and plan PE and sport lessons for their classes.	-Teachers to observe specialist lessons. - Teachers have opportunities to	£300 Allow for further specialist training of PE for teachers if	No money spent in this as yet.	-Teachers have observed lessons and deliver their own PE lessons. - Teachers have their own specific areas of PE in which
