

Dear Parents and Carers,

It's been another action-packed week at Hexham First with yoga, gymnastics, first aid training for Year 4, the fruit and vegetable shop open in early years, drumming lessons in Year 2, orienteering in Year 3, Year 2 scientists discovering how easily germs are spread and Year 4 being physicists and making their own electrical circuits using components as well as continuing with their farm in a box sessions. Have a lovely weekend everyone.

Mrs Overton

TV naturals, budding film producers, camera operators and TV presenters!

Hexham has been voted the happiest place to live in the UK and we all agree! We are always very proud of all the children at our school, and the amazing group of children who represented the school this week on live BBC breakfast TV were brilliant ambassadors for our school. They were confident, happy, respectful and very patient too. We were so pleased the BBC chose our wonderful happy school children to take part. We have had lots of lovely comments about the children - Our Chair of Governors, Mrs Armstrong was putting her feet up at home on Wednesday evening when she got such a surprise, as up popped up on her television screen the smiley faces of some pupils from Hexham First. She was so proud to see and hear them talking so confidently to the Look North presenter.'

Even the head of BBC Breakfast News productions was impressed and sent through the following message. "Thank you so much – your wonderful pupils absolutely made it. Tell them all thank you so much for being absolute TV naturals. Have a great day 😊"

RAMFEEZLED — worn out or muddled – e.g.: "I was going out tonight but I'm totally ramfeezled so I've cancelled."

Safeguarding reminder - please make sure your mobile phones are always turned off when visiting school, this is part of our child protection and safeguarding procedures in school.

**Well done to this week's Dojo
Certificates holders**

Reception: Harper Ambitious
Year 1: Frankie - Confidence
Year 2: Jaxon - Respect
Year 3: Sam - Ambitious
