

Friday Flyer

Friday 11th March 2022

Dear Parents and Carers,

The photos show what an incredible week we have had in school and the variety of exciting learning and clubs we have on offer.

Kielder Observatory

Adam the amazing astrophysicist from Kielder Observatory visited every class this week. The children were fascinated to learn about light and space. They discovered that the sun is the closest star to planet Earth and the stars we see at night are suns but very far away. They looked at the star constellation Orion, examined space rock and discovered the colour spectrum using special glasses. Lots of children made their own bracelets where the beads changed colour when exposed to sunlight.

Extracurricular clubs

The children have been having a fun time in the clubs running at school this term. Here are a view snaps from gardening club, a walk, talk and a litter pick, Meccano club and choir. More to come from multiskills with Miss Crozier, Art with Miss Harris and Sports club with Mr Brown.

A walk, talk and a litter pick with Mrs White & Mrs Moore

Planting cherry trees with Miss Barton in gardening club

CLASS DOJO

Well done to the following Dojo Certificates holders

Reception: Warren - Confidence

Year 1: Louis - Confidence

Year 2: Maisie Grace - Confidence

Year 3: Jessica - Ambitious

Year 4: Teddy - Kindness

Handwriting certificates go to:

Sophie. Finley, Jacob, Nick, Abigail

Singing their hearts out in choir with Mrs Beveridge.

Designing and building in Meccano club with Mrs Overton

Dance club with Tracey

Kind Respectful Resilient Ambitious Curious Confident Unique Safe

The children say playtimes are now brilliant! (and we agree!)

At the beginning of the year we asked the children what would improve playtimes - they had some fantastic suggestions – as you can see from the photos – we have massively increased the range of things the children can do and play with – we invested in colourful seating, bought some more toys, (Thank you Mrs Campbell) rediscovered the basketball posts, (Thank you Mrs M, Mrs Keith & Mrs Whittaker) built a stage (thank you Mr Scott) provided dressing up clothes (thankyou Mrs Tanner), made chalk boards, created playground buddy roles (Thank you Mrs Beveridge) , trained up our sports leaders to lead games (Thank you Mr Brown) , purchased lots of new sports equipment including stilts & hoops! (Thankyou Mrs Moore). An amazing team effort.

Charity - the voluntary giving of help, typically in the form of money, to those in need.

SCHOOL DIARY

Wednesday March 2nd

Year 4 Under the Stars Story project

Thursday March 3rd

Dance sessions begin

Monday March 7th

Kielder Observatory workshops all day

Friday March 11th

Help for Ukrainian Children Day

Friday March 11th

River Tyne Trust visit to Year 4

Monday March 14th

Science Week

Friday March 25th

Year 4 geography trip to River Tyne

Friday March 25th

Mother's Day - Bring the lady in your life to school

Monday 4th April

Story teller in school all day

Wednesday 6th April

PTA chocolate Bingo night

Thursday 7th April

Year 4 skipping festival

Friday 8th April

Additional Bank holiday

Monday 11th April

Easter Holidays

Wednesday 27th April

Year 4 trip to Robinwood

Monday 9th May

'Story of Earth' - whole school science
